## THE VISION

Dr. B.R. Ambedkar's social philosophy of education as a means of creating an egalitarian society is the vision of this University. Access to relevant quality education and training programmes for diverse sections of society with a focus on hitherto deprived sections at lower costs by using the modern technologies in teaching-learning processes as well as in administrative and support services is the goal of this University. The University programmes aim at making education and training instruments for living and for making a living.

## THE MISSION

- Enrichment of on-going academic programmes;
- Competency building through education and training programmes;
- Interactive individual based teaching learning processes;
- Reliable and credible student evaluation systems;
- Result oriented, accountable and transparent administrative and logistic support systems; and
- Research, innovation, training and networking for system development and staff development.
